3. Cashback Criteria and Allocation

3.1. You can receive Cashback on your Trading 212 Card Withdrawals used for spending online or at Point-of-Sale (POS) terminals with Non-Excluded Merchants, subject to these Terms and our Invest Terms.

3.2. If you meet the Cashback Criteria, you will receive Cashback at the Cashback Rate. Cashback will be credited daily to your Invest Account automatically at the end of each Business Day and reflected in your Invest Account and on your periodic Statement. If you do not meet the Cashback Criteria, you will not receive Cashback.

3.3. We calculate Cashback and pay it to you on a per-transaction basis. We will pay you Cashback if that amount is greater than or equal to one (1) penny, cent, or the equivalent, depending on the currency. For each eligible transaction, we will round down the Cashback to the nearest whole penny, cent, or equivalent, depending on the currency, before paying it to you.

We will retain any fractional amounts below one (1) penny, cent or the equivalent, depending on the currency, and roll them forward until one whole unit of the respective currency (e.g. one Pound, Euro, or the equivalent, depending on the currency) is accumulated. We will then pay it to you.

3.4. Additional conditions and restrictions apply in determining whether a recurring payment is an Eligible Subscription, including how we identify a recurring payment and the types of payments that do not qualify. These are set out on our Website. We may change them from time to time, so please make sure to check our Website regularly.

4. Cashback Cap

4.1. The maximum amount of Cashback that you can earn in any given calendar month is capped at GBP 15. Once this limit is reached, no further Cashback will be accrued for the remainder of the month.

4.2. Any unused portion of the monthly Cashback Cap cannot be carried over to subsequent months.

5. Excluded Merchants

5.1. Trading 212 Card Withdrawals are eligible for Cashback provided that the withdrawn money is spent at Non-Excluded Merchants.

5.2. For a full and up-to-date overview of all Excluded Merchants, please refer to the [FAQ](#) page. We may change the list of Excluded Merchants, so please make sure to regularly check our Website.

6. Disqualification

You shall not be entitled to receive any Cashback, and we are allowed to revert any Cashback payment made to you in case:

- a. you violate, manipulate or do not abide by any of the Terms set out hereto or any other terms under the Invest Terms or any of the Legal Documents, agreed upon onboarding, as applicable; or
- b. if we have reasonable grounds to suspect that you have engaged in any fraud or material abuse or are engaged in any activity that may harm the reputation of Trading 212, we may, at our sole discretion, reserve the right to take any action we see fit in such circumstances.
